

TRANG (LACY) NGUYEN

PRODUCT DESIGN STUDENT

PROFILE

Hello! I'm Lacy Nguyen.

As a passionate and inquisitive designer, I find great joy in the discovery of new ideas and the pursuit of knowledge. Currently enrolled as a product design student, I aspire to tackle complex problems by creating user-centric solutions using the power of design.

I am constantly seeking opportunities to learn and broaden my skill set, which has led me to embrace self-learning as a significant part of my personal and professional growth. In my free time, I acquire new skills and engage in personal design projects to refine my abilities. By continuously improving myself, I aim to become a versatile designer, capable of creating innovative and impactful solutions for users.
